

Disciplinary rules or regulations – relating specifically to doping

All Athletes, Athlete Support Personnel and other Persons must cooperate fully with any anti-doping investigations or proceedings, whether conducted by UK Anti-Doping or any other competent body.

Failure to do so without compelling justification may be treated as misconduct under Surfing England's Code of Conduct and may be sanctioned accordingly.

In the event that a person who is subject to Surfing England's jurisdiction commits an act of misconduct that relates to anti-doping but does not amount to a violation of the UK Anti-Doping Rules, Surfing England may bring disciplinary proceedings against that person for such misconduct under our Code of Conduct and they may be sanctioned accordingly.
